

**HISTORY –
MADE ACCESSIBLE...**

archival-safe gift and storage box*

Whether you own a New England Colonial from the 1700s or a Neo-eclectic built last year, a Home History Book™ archival journal can help you capture and beautifully display your house's story. In addition to being fun and interesting, discovering your home history can have many advantages:

Increases Property Value: According to the *Advisory Council on Historic Preservation*, preservation is a vital economic development tool. Historic preservation helps maintain – and in many cases increases – property values. Using your Home History Book archival journal today can benefit you financially tomorrow.

Capture Important Moments: It might be a wedding in the backyard, a special guest from out of town, a photo of a newly built patio or the arrival of new neighbors. What you decide to document and how often you do it is up to you.

Solid, Timeless Design: From cover to cover, a Home History Book archival journal is designed to stand the test of time. Feel confident that the history of your home can be displayed and shared for years to come.

Thoughtful, Unique Gift: A great idea for the new homeowner, or perhaps a birthday or holiday present for the home genealogist in your life, a Home History Book archival journal is truly a gift that keeps on giving.

TELLING YOUR HOME'S STORY

Simple by design, the Home History Book archival journal helps homeowners preserve and pass down their house's history to future owners and to share connections that would otherwise be lost.

Essentially, it is a 'baby book' for the home that is meant to stay with the property so that its owners, both present and future, will know its story. Photos, documents, repairs, renovations and stories – all have a place within its pages.

Visit www.homehistorybook.com to order your Home History Book archival journal and to discover home history research tips and information that will help you to become a better home genealogist.

WITHIN THESE WALLS...
